

Video Interface with HDMI for Infiniti Q30

How to enable touch screen control?

Model : QHI-LVIX-Q30

Find the UART touch cable on the navigation box cables.

Connect the UART cable to CAP T/S OUT socket on the video interface.

※ Connect IR-NAVI wire from RGB-In cable of interface to Red wire of Uart-touch cable from navigation box multi cable

There are three wires for Uart-touch cable from navigation box multi cable.
