

Як зареєструватися на сайті Easy Firmware

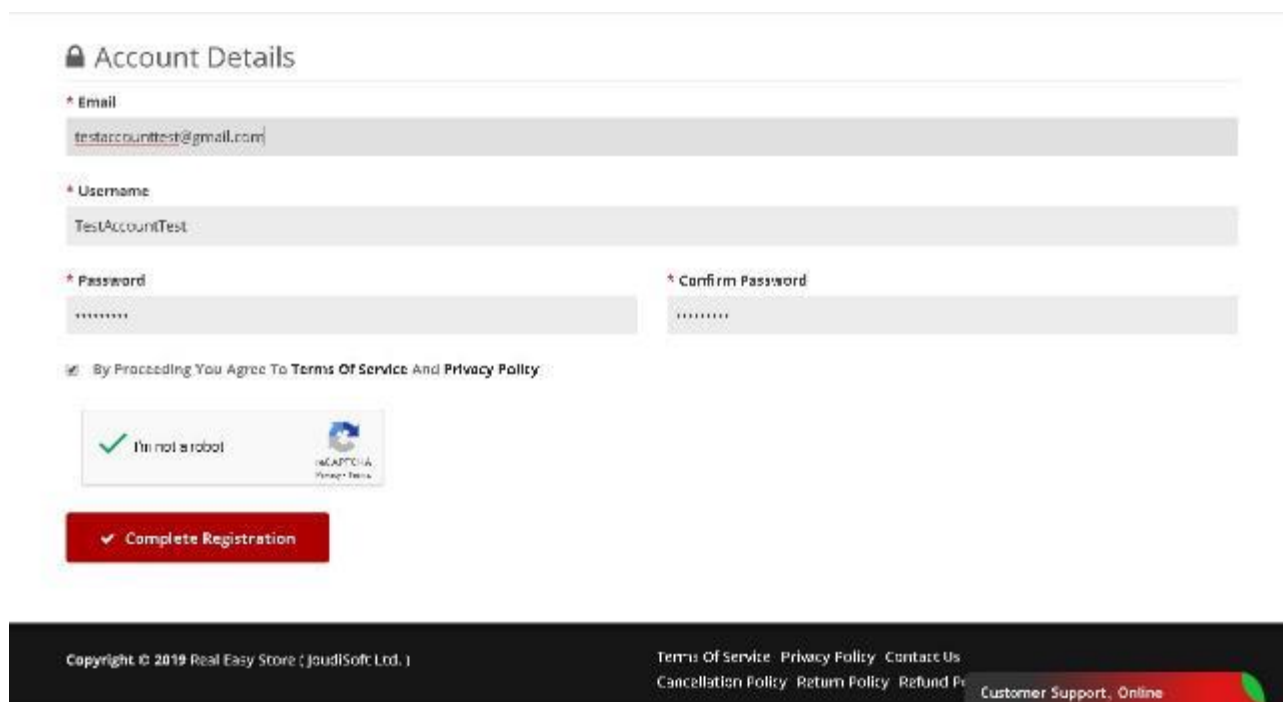

1. Клікніть «Register» на сторінці <https://easy-firmware.com/>

2. Заповніть особисту інформацію (Personal Details)

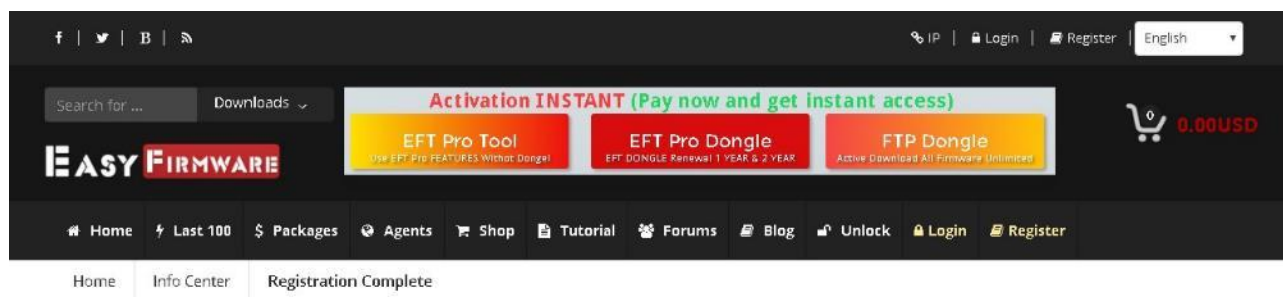

3. Вкажіть ваш email, логін і пароль (Account Details). Клікніть «Complete Registration».

The screenshot shows the 'Account Details' registration form. It includes fields for Email (testaccounttest@gmail.com), Username (TestAccountTest), Password, and Confirm Password. There is a checkbox for 'By Proceeding You Agree To Terms Of Service And Privacy Policy' and a reCAPTCHA widget. A red 'Complete Registration' button is at the bottom. The footer contains copyright information for 2019 Real Easy Store, links to Terms of Service, Privacy Policy, Contact Us, Cancellation Policy, Return Policy, and Refund Policy, and a 'Customer Support, Online' link.

4. Реєстрація завершена. Ви можете увійти в ваш акаунт.

The screenshot shows the 'Registration Complete' confirmation page. It features a dark header with social media links, a search bar, and a 'Downloads' dropdown. The main content area has a banner for 'Activation INSTANT (Pay now and get instant access)' with three options: EFT Pro Tool, EFT Pro Dongle, and FTP Dongle. Below this is a navigation menu with links to Home, Last 100, Packages, Agents, Shop, Tutorial, Forums, Blog, Unlock, Login, and Register. The footer includes a 'Home' link, an 'Info Center' link, and a 'Registration Complete' status message. A 'Customer Support, Online' link is also present.

Registration Complete

Thanks for creating your account at our website, your registration has been completed and account is activated, you can now start using our website services.
